

Staebel Lifting Sheet

The Lifting Sheet offers the ultimate falls management solution for transporting an injured person from the site of a car accident or other emergency.

The Lifting Sheet is a lightweight falls management solution. Designed in conjunction with the Guidelines for Safer Handling during Resuscitation in Healthcare Settings, the lifting sheet is perfect for post-resuscitation transfers where a stretcher hoist is not available to move the patient from the floor onto a bed or trolley.

Product Benefits:

- Robust design supports patients weighing up to 150kg
- Washable at 74°C
- Waterproof
- Fire-retardent
- Can remain under patient

Specifications:

Product Code	210138
