

Staebel Heathweight Chair Scale

The Staebel Chair Scale with its patented design maintains reliability and uncompromising precision. The compact design ensures the most cost efficient shipping method and reduces the risk of carer strain particularly when weighing an obese/ bariatric patient. The unique base frame design gives care staff assurance that scale is compatible with other equipment utilised in care setting.

Specifications:

Product Code	2957
Seat Width	430 mm
Seat Depth	420 mm
Overall Width	630 mm
Overall Height	965 mm
SWL	300 kg
