Cant find what you are looking for?

Active Medical have a range of customisable options for all our products. From specific proportions, to tailor made bed head and footboard styles, textures and colours, we will have the solution for you. Whilst we will endeavour to accommodate all your requests, there may be some manufacturing and fabrication limitations which will not allow us to provide all requests in one bed combination. Could not find the colour you were after? **View our Customisation Form!**
