

Action Gel Shear Smart Pad

The SHEAR SMART pad, combined with the breathable double-layer SHEAR SMART cover, significantly reduces the effects of shear while providing superb user comfort. The cube construction of the pad surface allows air circulation, provides cushioning from mild impact, heat dissipation, and the comfort of sitting on 1.4 cm Akton polymer. This cushion will conform to contoured bases for additional support when required.

Custom sizes available upon request (maximum of 60.9 x 60.9 cm in 2.54 cm increments).

PRODUCT BENEFITS:

- 14mm thick
- Suitable for medium risk clients
- Not restricted by any weight limit
- Easy to care for
- Shear Smart cover included

OTHER SIZES AVAILABLE:

16" x 16"	3524
